

Your Best Digital Fundraising
Starts Here

Reaching your best donors online is an integral part of fundraising strategy. But how can you find and reach more of the right people—the ones uniquely aligned with your organization and ready to give now and make multiple gifts in the future?

It All Starts with the Right Donor Audience

Wiland digital donor audiences are the most effective way to reach your best new donors online. Our audiences are custom modeled based on our proprietary data assets—**the largest donor database in America**—and are further enriched by spending insights from 10 million merchants. This enables us to craft audiences comprised of large numbers of donors who are the most likely to respond to your appeals and support your organization.

How do fundraisers use our donor audiences?

There are two paths to success:

In-House Digital
Fundraising Campaigns

Wiland Fully-Managed
Digital Campaigns

In-House Digital Fundraising Campaigns

Utilize your custom Wiland digital donor audience to target your digital media with unsurpassed accuracy.

- We provide the audience.
- You or your agency manages the campaign.
- You or your agency measures and reports on your results.

Our Audience. Your Campaign.

Using Wiland digital donor audiences in your in-house digital fundraising will drive **higher response rates, lower donor acquisition costs, and higher return on ad spend**. We quickly deliver your audience to your DSP or platform of choice for activation across all addressable channels, platforms, and devices including:

What Makes Our Managed Digital Campaigns Different?

The most
**accurate
targeting**

using Wiland digital donor audiences.

The most
**effective
optimization**

of spend and performance based on the value of each individual donor.

The most
**reliable
measurement**

with our TrueROAS™ methodology showing incremental impact.

The most
**thorough
reporting**

and a full matchback view of results.

*TrueROAS™ is Wiland's proprietary methodology that measures a digital campaign's real impact by calculating the amount of online and offline revenue it generates beyond what would have occurred anyway.

What Makes Wiland Digital Solutions Superior?

The Most Donation and Spending Signals

Detailed, individual-level transaction data is the gold standard of donor giving information. And we have more of these predictive signals than anyone else.

The Best Response Prediction Platform

Accurately predicting how people will give is made possible with Wiland's proprietary, AI-driven response prediction platform.

The Fastest Path to Success

We make it easy to get started and see success quickly when using our audiences or having us manage your digital fundraising campaigns.

The results tell the story

Recent **digital successes** for our nonprofit clients include:

- **74%** reduction in cost to acquire a new donor
- **10,000+** new-to-file donors
- **17:1** co-targeting ROAS
- **12:1** incremental retargeting ROAS
